Lumi.Solair LLC v. King Luminaire Co. et al., No. 10 Civ 9192

StressCrete Ltd. et al. v. Duggal et al., No. 11 Civ 2066

Dear Judge Koeltl:

We represent Defendants in 10 Civ 9391, Plaintiff and counterclaim Defendants in 10 Civ 9192, and Plaintiffs in 11 Civ 2066. We write on behalf of all parties responding to your Order dated March 28, 2011 (Dkt. No. 22 in 10-cv-9192), which asked the parties to advise the Court by April 5, 2011, as to the status of each of these cases.

As you recall, Defendants in 10 Civ 9391 and Plaintiff and counterclaim Defendants in 10 Civ 9192 filed an unopposed motion on March 25, 2011 pursuant to 28 U.S.C. § 1659 and the Court's discretionary power for a stay of those actions until the related investigation before the United States International Trade Commission ("ITC") is concluded. During the status conference on March 28, 2011, the parties informed the Court that the new case, 11 Civ 2066, could also be subject to the motion to stay, because it involved overlapping issues. The Court asked the parties why, instead of staying the three cases, it should not dismiss them without prejudice until the ITC investigation concludes.

The parties have conferred and have agreed that the Court may dismiss without prejudice the three above-reference actions, subject to the terms of a tolling agreement being negotiated and to be finalized this week, and so long as the dismissal is not charged against any of the parties as a voluntary dismissal under Fed. R. Civ. P. 41. The actions may then be refiled at the appropriate time.

Each of these actions is dismissed without prejudice & renewed 30 days after the final conclusion of the pending ITC investigation. Each of these dismissals without prejudice is conditioned on the tolling agreement being negotiated by the parties. The Clerk is directed to close each of these cases.
